RI Oyster Farmers are Eager for Veteran Apprentices in New VA Approved OTJ Training

Break into the booming Aquaculture Industry with the first federally approved Oyster Farming Apprenticeship. This 1-year, paid Apprenticeship also qualifies Veterans for up to an additional \$1800/month in cash benefits from the GI Bill.

RI Oyster Farmers spent the past two years designing the curriculum to welcome our soldiers into the industry & thank them for their service. Successful Veteran Apprentices may work towards acquiring their own farm through the support of the Veteran Farmers Coalition.
