2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals that depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.

7. **The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds by the General Assembly.**

8. Vendors are advised that all materials submitted to RIVETS for consideration in response to this RFP may be public records as defined in R.I. Gen. Laws § 38-2-1, *et seq.*, and may be released for inspection upon request once an award has been made.

11. In accordance with R.I. Gen. A “business associate” also is a subcontractor that creates, receives, maintains, or transmits HIPAA protected health information on behalf of another business associate. The HIPAA rules generally require that HIPAA-covered entities and business associates enter into contracts with their business associates to ensure that the business associates will appropriately safeguard HIPAA protected health information.
